

PIETRA GREY MARBLE

COLOUR

Grey

MACROSCOPIC DESCRIPTION

Pietra Grey Marble is a compact limestone with a very fine and uniform grain of a splendid grey color presenting marked but subtle white veins. Pietra Grey is the perfect marble to enhance the beauty and elegance of different spaces as it offers character and personality, modernity and contemporaneity. Also, Pietra Grey Marble is suitable for both the use in internal spaces and external ones, mainly thanks to its medium hardness and great resistance to different weather conditions.

Pietra Grey marble is the perfect stone for elegant and modern floorings, facings and decorative objects for domestic use, kitchen and bathroom marble countertops with a modern and contemporary print.
