

BROWN TOBACCO

COLOUR

Brown

MACROSCOPIC DESCRIPTION

Tobacco Brown, also known as Eramosa, is a marble from the brown background, a color that characterizes and distinguishes it. Of inimitable beauty, this material is extracted in the Canadian province of Ontario and its basic features are the brilliance and color that, when the marble is cut to the opposite, is marked by lighter veins with golden accents; It can also be used to cut the verse, with the characteristic nuances in the forehead.

Marble Tobacco Brown, synonymous with refinement and contemporary taste, combines the charm and originality of a timeless material with the modernity of its color, enabling each one to create an unmistakable touch. This marble is therefore ideal for applications with a contemporary and contemporary flavor: floor and wall coverings, accessories and decorative objects, everyday use and all

types of work, both for interior and exterior environments.
