

CREMA MARFIL

COLOUR

Beige

MACROSCOPIC DESCRIPTION

Crema Marfil marble is a beautiful beige Spanish marble having a uniform background, a precious material being used in many types of different projects: from interior floorings to elegant interior decorations, marble staircases, fireplace facings and for exterior applications, bathrooms and kitchens with a modern and contemporary style.

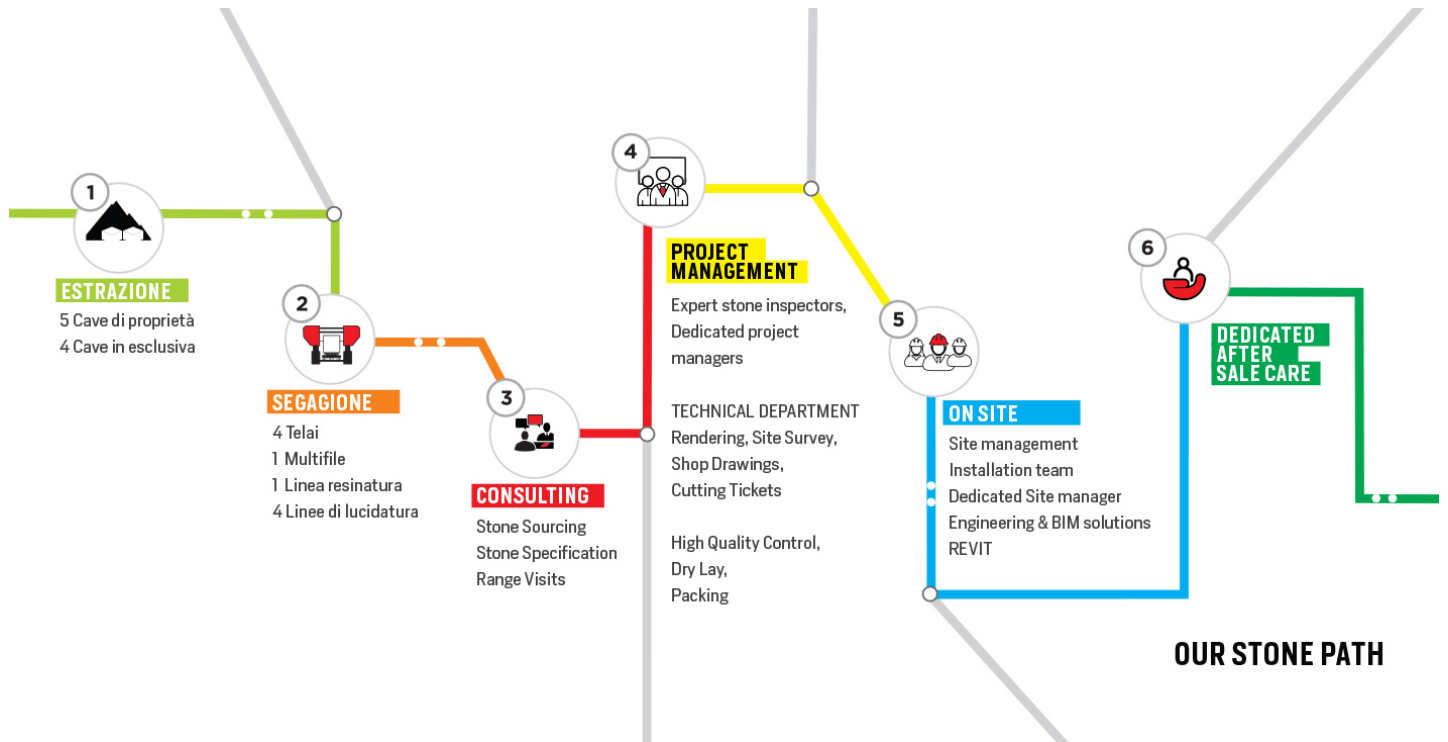

Crema Marfil marble may present, in base of the block or quarry of extraction, fine golden veining or shadings, particularity that gives this natural stone an elegant and precious aspect, also making it particularly recognizable.
