COLOUR

Red

MACROSCOPIC DESCRIPTION

Olive Red is a marble light red color, cross by irregular olive veining which gives its name and poliformic grey, white and yellow. Its fine-grained mixed texture gives to material some warm aspect that adapt to different employments, from the floors to staircase, until to composition from natural stone mosaics. Its can be used for luxury coverings, bathroom's top, column and sculpture.

Olive Red marble is very characteristic giving that intimacy feeling when it's applicated. It's perfect to adorn private residences also. The finishing that stood out its beauty and originality are those lucids like polishing and sanding.
