

ROSA PORTOGALLO

COLOUR

Pink

MACROSCOPIC DESCRIPTION

Rosa Portogallo marble is a precious natural stone characterized by a delicate pale pink color that may be an antique pink with fine hazelnut veining, depending on the block. Ideal for many types of different applications, this particular and candid marble is mainly used for interior design with a modern print as well as classical ones, always characterized by elegance and refinement, as bathrooms and kitchen tops, decorations and furniture, jewelry and luxury facings. Rosa Portogallo marble is usually available in various color tones that go from salmon to cream to the one characterized by a more pronounced veining, usually applied as book-matching, especially for the floorings.

The finishings that best express the beauty of Rosa Portogallo marble are polishing, sanding and honing. Rosa Portogallo is also known by Rosa Estremoz and Rosa Aurora.
