CALCITE AZUL EXTRA

COLOUR

Blue

MACROSCOPIC DESCRIPTION

Calcite Azul Extra is a natural stone of Italian origin, that has a non uniform texture with shades and splashes of blue and stains on a grayish background, a beautiful material that is requested for many types of different applications.

Suitable for walls, staircases and floors, it lends itself perfectly to be worked and polished and is a superb material for the creation of unique items of interior decoration, for example vases and trays, decorative columns, marble counters and tops and exclusive bathroom decorations and applications of a unique and particular taste.
