FUME EMPERADOR

COLOUR

Grey

MACROSCOPIC DESCRIPTION

The Emperador Fume marble, also known as Moonstone Emperador, is a beautiful grayish natural stone extracted from quarries in Turkey. This marble is particularly suitable for design projects especially with a modern look and feel as floorings, bathrooms and staircases, decorative objects as vases and small furniture, jewelry, modern fireplaces and much more.

Emperador Fume marble is also suitable for public projects, for indoor or outdoor, thanks to its gray-silvery surface, glossy but not too bright is a material that gives elegance and able to express its beauty in a unique way.
