MACROSCOPIC DESCRIPTION

Black Portoro marble is a very decorative stone characterized by a beautiful black background and golden veining, extracted from La Spezia - Portovenere. It's beauty, originality and distinction make Black Portoro marble the perfect material for the creation of decorative objects as columns, vases, design objects, precious interior facings, sculptures, decorative elements and for daily use ad tops for furniture and bathrooms, luxurious floorings and fireplaces.

Black Portoro marble is a natural stone with great personality, suitable for interior design applications with classical and traditional look and feel. The finishing that most enhances Black Portoro's splendor is polishing, finishing that makes the golden veining beautifully visible.
