

CARRARA SILVER

Colour: Grey

Macroscopic description: Carrara Silver Marble, extracted in the Apuan Alps, is renowned for its elegance and versatility. One of our exclusive materials, Carrara Silver marble features a pristine white background crossed by delicate gray and white veins that intertwine, giving this material an aura of sophistication.

Carrara Silver is perfect for enhancing a variety of surfaces: from flooring to decorative accents, from kitchen countertops to bathroom cladding. Its timeless beauty and ability to adapt to a wide range of styles make Carrara Silver marble the perfect solution for those seeking a stone that can provide a touch of class and elegance.
